Fundamentals of Infection Control Conference March 2-4, 2010 St. Francis Retreat Center~ Dewitt

Hello MSIPC Members:

Due to the overwhelming response to the Fundamentals of Infection Control Conference held in October 2009, we are offering another conference in the Spring. The Fundamentals of IC will be held March 2-4, 2010 at the St. Francis Retreat Center in Dewitt. Conference brochures will be mailed out the first of the year and will be posted on the MSIPC website as well. If you are interested in attending this conference, please contact me so that I can get you “pre-registered”. Space is limited so please contact me as soon as possible.

Wishing you and yours a very happy, healthy holiday season!!!
